WATCHPAX 60

Plug-and-play, dedicated
media server series

WATCHOUT MEDIA SERVER

Unleash the creative potential of WATCHOUT and deliver shows flawlessly with these high-performance units for the most demanding presentation environments.

Power to perform

The WATCHPAX 60 series comprises four performance-optimized models from the lean four-output model S to the high-end model C with up to twelve outputs.

Sleek, robust and with a compact 2U form factor, WATCHPAX 60 is backed by a two-year warranty as standard.

In brief

WATCHPAX 60 is a dedicated, rack-friendly media server series for Dataton WATCHOUT shows. The units feature a high-performance technical specification – designed to play your WATCHOUT shows at their very best. The WATCHPAX 60 series consists of four models designated: **S** (basic model), **A**, **B** and **C**.
